

## **Ron Little**

Ron Little JFMG's Managing Director has announced his wish to stand down and will leave the company at the end of October to pursue other interests. His successor is announced separately.

Commenting on Ron's impending departure JFMG's Chairman Mike Snalam said "Ron is one of JFMG's first employees, joining the company in 1997 immediately after it had been awarded the first commercial contract to manage spectrum for Programme Making and Special Events. He has made a considerable contribution to the setting up of the business and its subsequent management. We wish Ron all good fortune in the future".

16 September 2005

### Notes:

JFMG Limited is the organisation contracted by Ofcom to manage and licence the radio spectrum used for Programme Making and Special Events. This spectrum is used for radio microphones, camera and sound links and communications. JFMG services the needs of radio and television broadcasters, the theatre community as well as other users of this spectrum. JFMG Limited is owned by ITV plc and The Commercial Radio Companies' Association.
