

Planning your Radio use for Wimbledon Tennis - 2008

The information below provides details of the timing for receipt and processing of frequency applications for Wimbledon 2008.

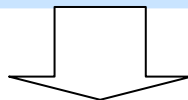

April 2008

You will receive this application pack from JFMG Ltd which will include an application form with details of how to apply for a licence to use radio frequencies at Wimbledon.

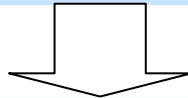

Return your completed application form to JFMG by - 12 May 2008

Requests for frequency use **MUST** be made using the JFMG application form or by e-mail. Frequency requests **CANNOT** be taken over the phone.

23 May 2008

We will contact you and let you know if your application form is successful (i.e. if we could meet all your radio requirements) and will inform you of your licence fee. Whilst we will do our best to meet your requirements for Wimbledon, there is no guarantee that it will be possible to provide the frequencies that you seek. If we are unable to let you use any frequencies we will do our best to offer alternatives.

JFMG are unable to issue a licence without first receiving payment.

If you are paying by international money order, all payments **MUST** be made in sterling. Paying by credit card is the simplest and quickest payment method.

For further information and licence enquiries please contact the JFMG team at:

JFMG Ltd
33-34 Alfred Place,
London,
WC1E 7DP.
